Professional Experience

Wize Foundation - Student Ambassador | Jun 2026 - Present

Representing the Wize Foundation in school and supporting outreach for disadvantaged students
Taking part in insight days at major firms and sharing key takeaways with students
Helping run the newsletter by selecting updates and writing concise summaries

Delivering presentations in school and supporting ambassador projects
Joining workshops and panels and contributing student-focused viewpoints

LEAF Pathways - Intern | Sep 2026 - Present

Representing LEAF Pathways in outreach tasks by reviewing school-facing materials and improving clarity
Helping organise project workflows and keeping track of deadlines
Contributing ideas to improve student engagement based on observed needs
Assisting with research tasks that inform programme development
Building confidence working in a professional environment and communicating progress reliably

Springpod Advisory Board - Student Advisor | Jan 2026-Jun 2026

Represented student perspectives on the accessibility of career education
Evaluated platform features and highlighted areas where students struggled
Contributed to discussions with Springpod staff and partners using direct student insight
Collaborated with other board members to shape more inclusive and relevant solutions
Communicated student needs in a precise, structured way that influenced platform decisions

Higherin - Student Ambassador | Jul 2026 - present

Representing employers including Deloitte, PwC and The University of Law to students
Helping students identify apprenticeship routes they haven't considered
Sharing opportunities with interested students and guiding their next steps
Supporting short employer campaigns by reviewing and improving outreach materials
Talking to students about apprenticeships and career paths in a clear, grounded way
